VIHAN RAMANAYAKE

ENTREPRENUER & DESIGNER

SUMMARY

I've been exposed to all facets of product development, from building databases to designing the interface of web and mobile applications. I'm seeking to apply my design and leadership skills to build impactful products.

RELEVANT EXPERIENCES

Business Analyst - Data Engineer
Hemisphere Digital | Jul 2021 - present

- **Lead stakeholder workshops** to gather product requirements and translate them into technical and design language.
- **Conduct usability** testing on working software to document feedback and prototype design improvements.

Technology Consultant
Deloitte Australia | Jan 2021 - Mar 2021

- **Conducted user research** and synthesised findings from market and competitor analysis.
- **Designed the systems blueprint and prototype** of a cloud dashboard solution for contact centres.

Human Resources Consultant
KPMG Australia | Sep 2019 - Nov 2019

- **Exercised communication skills** by liaising with business units to organise and execute large-scale events, including KPMG's major recruitment event (KPMG Launchpad).
- **Demonstrated design** skills by creating marketing material to advertise graduate positions on LinkedIn.

VOLUNTEERING EXPERIENCES

Co-Founder & President
UNSW Sandbox Society | Jan 2021 - present

- Created an organisation vision and roadmap, and presented it to Arc Clubs UNSW, receiving **$2000 in funding.**
- Developed a content strategy that saw our Facebook presence grow from **0 to 700 page likes in under 3 months.**
